SOOP FAITH STATEMENT

We believe in Jesus Christ, God's son, as Savior and Lord. We believe that the Christian church is composed of those who commit themselves to live out the teachings of Christ and to share with each other. Christian love is a central quality of the Christian faith and becomes the basis for our relationship with all people regardless of creed, ethnic origin, nationality, sex, or political view. Our response to human conflict, injustice, war and racial tension is based on the biblical teachings of nonviolence. The service ministry of the SOOP Program is established as a positive expression of this understanding.

SOOP service is performed in the name of Christ, arising in response to human need and the call to Christian discipleship. The program uses mature personnel with a wide variety of skills and levels of education. It is hoped that both personnel and program can serve as channels for healing and reconciliation in a broken and divided world.
