"What should I do after graduation?"

I am graduating from high school, and **I'm not attending college.**

I am graduating from high school, but **I'm not sure what's next.**

I'm graduating from high school and attending college, but **I have no idea what my major will be.**

I'm graduating from high school and attending college, but **I need to decide between a few majors.**

I'm graduating from high school and attending college, and **I know exactly what I want to major in.**

Do you need to start working right away for financial reasons?

How about a gap year to get some perspective and real-world experience first?

NO

YES

Get out there, and **find a job** that works for you!

NO

YES

NO

What about taking a year to live out your faith through service, all while building community and joining in adventures with other young adults and unit leaders?

NO

But, wait! I still want to serve others and grow somewhere new!

Do you want to explore your faith, grow with other young adults through service, and preserve your scholarships and financial aid* for college until after your gap year?

Check out which **Mennonite college** or **university** fits you best at **Mennonite Education.org**.

YES

Explore your faith and get real-world experience though a gap year with **Service Adventure**!

YES

*Check with your college registrar for eligibility.

But, wait! I still want to serve others and grow somewhere new!

Check out **MennoniteMission.net** for more information about **Service Adventure**, **Mennonite Voluntary Service** and **Youth Venture**.

Take a trip with **Youth Venture** in 2027.

Are you 17-20 years old?

Put your passion into practice with a one- or two-year term in **Mennonite Voluntary Service**!

Are you 20 years old or older?
